Approved MILSTRIP Change Letter (AMCL) 155
Inter-Service Use of DI Codes AB_ for
Direct Delivery Notice

1. Change chapter 4, paragraph 4-6d, to read:

"d. Direct Delivery Notice, DI codes AB1, AB2, AB3, and AB8 provide notice to eligible status recipients that materiel will be supplied by direct vendor delivery (DVD) from procurement. Direct Delivery Notice documents provide a cross reference between the requisition document number and the Procurement Instrument Identification Number (PIIN). DI codes AB1, AB2, AB3, and AB8 documents are generated when materiel is procured for direct shipment to consignee. DI code AB_ will be furnished to applicable entries in the requisition; i.e., requisitioner (rp 30-35), supplementary address (rp 45-50), and distribution (rp 54) regardless of the media and status code used. This is so that customers will have a basis for reporting nonreceipt of materiel."

2. Change chapter 4, paragraph 4-21, FURNISHING STATUS, as follows:
lows:

a. Revise subparagraph letter identification e through h to read f through i, respectively.

b. Insert new subparagraph e to read:

"e. Supply Source, Direct Delivery Notice, DI codes AB1, AB2, AB3, and AB8 notify eligible status recipients that materiel will be supplied by direct vendor delivery from procurement. AB_ documents will be provided to consignee. This notice provides a cross-reference between the requisition number and the Procurement Instrument Identification Number (PIIN). See appendix C10 for Direct Delivery Notice format."

3. Revise subparagraph 4-21e to add the following at the end: When delivery dates are established for direct shipment to consignees, the supply source will provide the consignee a Direct Delivery Notice, DI code AB_. The Direct Delivery Notice is in addition to AE_ supply status.

4. Change appendix B1, in part, Document Identifier codes as follows:

<u>Code</u>	<u>Document Title</u>	<u>Explanation</u>
AB1	Direct Delivery Notice	To requisitioner (record position 30-35).

<u>Code</u>	<u>Document Title</u>	<u>Explanation</u>
AB2	Direct Delivery Notice	To supplementary address (record positions 45-50).
AB3	Direct Delivery Notice	To record position 54.

5. Add new code to Appendix B1, Document Identifier codes, as follows:

<u>Code</u>	<u>Document Title</u>	<u>Explanation</u>
AB8	Direct Delivery Notice	To DAAS from Service/Agency for distribution by DAAS of direct delivery notice AB1, AB2, and/or AB3 in accordance with MILSTRIP status distribution rules.

6. Change appendix C - Formats Index, appendix C10 to read: "Appendix C10 - Direct Delivery Notice."

7. Change appendix C10 title to read: "Direct Delivery Notice."
